

Illinois Users' Group November 10, 2009

Agenda

- 10:00 – 10:15 a.m. **Welcome and Introductions**
- 10:15 – 11:00 a.m. **PreventionLink™ Overview**
This session features a short overview of PreventionLink, including its newest applications: Custom Tests, Forums, and Credentials Manager.
- 11:00 – 11:15 a.m. Break
- 11:15 a.m. – 12:00 p.m. **Discussion**
How are departments in your area using the Custom Activities Manager and some of PreventionLink's other applications and tools (such as Custom Tests, Validate Completed Activities, and Record Completed Activities)? Find out in this group discussion and learn tips from other departments on what you could be doing to enhance your training and compliance management programs.
- 12:00 – 12:30 p.m. Break – Networking – Lunch Served
- 12:30 – 1:00 p.m. **Preview of New Products and Training Courses**
Several new PreventionLink applications and training courses will be available to you before the end of the year. In this session, we'll cover what is coming and let you know how our partnerships with the Brunacinis and the American Heart Association will provide you with exclusive access to web-based incident command, BLS and ACLS training courses.
- 1:00 – 1:30 p.m. **Panel Discussion and Conclusion**
What other functionality could TargetSafety provide that would help your department reduce the cost of training, compliance, and records management? What suggestions or questions do you have about PreventionLink? In addition to collecting your feedback, we will spend this time discussing your interest in, and ideas for, future Illinois Users' Group meetings.
